

Gilbert House Children's Museum

Community Cooperation Membership

Gilbert House Children's Museum is a nonprofit children's museum whose mission is to inspire children to learn and grow through play. The Museum features hands-on exhibits that encourage children and families to investigate, explore, learn and play. The Community Cooperation Membership (CCM) is a reduced price membership program offered to selected organizations to help us ensure our community's children are able to benefit from our exhibits, classes and programs.

Through the Community Cooperation Membership, organizations receive:

- Visitation passes for the organization's clients.
 - The organization receives 25 individual monthly visitation passes (300 total for the year) to be used in a specific month by the clients the organization serves.
- 15% off all education classes for the duration of the membership.
 - All classes are taught by trained museum educators.
 - Classes can either be held at the museum or at the site of the participating group.
 - See our website for a listing of available classes.

Price for organizations for a Community Cooperation Membership:

\$400 + discounted class costs.
