Did you know that Crater Lake is the deepest lake in the country? This is just one of the many fun facts about Oregon. Oregon has amazing food like craw-dads and crabs, Oregon also has some hot springs as hot as a natural hot tub.

One amazing thing about Oregon is that Oregon has a lot of amazing places in nature, like Smith Rock in Redmond, and the Painted Hills in central Oregon. More cool places in Oregon are Mary's Peak, and the Oregon Coast.

Something fun you can do in Oregon is float the Willamette Eiver, and go to parks. Some more fun things to do in Oregon are jumping in puddles and going camping. More fun things you can do in Oregon can be sports and playing games.

There are lots of fun activites and cool nature sights in Oregon, but I think there are almost too many places to explore. This is why I love Oregon!
