

Spring

Re-Energized

Enjoy a stroll along Storybook Lane in April and read *The VERY Impatient Caterpillar*. You will also want to be sure to take part in our window scavenger hunt. Be sure to print out your activity sheet and complete the information and drop it in the mailbox on the Parrish House for a special treat.

How long do caterpillars have to wait in their chrysalis before they turn into butterflies?

Why didn't the caterpillar turn into a butterfly the first time he tried?

Have you ever had to wait a long time for something? What was it? What did you do to pass the time?
