

Pompom Catapult

SUPPLIES:

- 10 craft sticks
- 4+ rubber bands
- A plastic cap or plastic spoon
- Hot glue or tape
- 1 pompom

Rubber band 8 craft sticks together in a stack.

Rubber band one side of the remaining two craft sticks together. Slide the stack of craft sticks between the two craft sticks and secure them in place with another rubber band.

Hot glue or tape a plastic cap or plastic spoon to the end of the top craft stick.

Place a pompom in the cap/spoon, then press craft stick down and release to launch the pompom.
