

# Popsicle Stick Animals

## SUPPLIES:

- Popsicle Sticks
- Pipe Cleaners
- Googly-eyes
- Pompoms

## Instructions:

Stick two googly-eyes to the end of a popsicle stick to begin creating your popsicle stick animal.

Wrap two pipe cleaners (one near the front and one near the back) around the popsicle stick to create legs.

Add more pipe cleaners or pompoms to your animal to create a body or tail.

What kind of animals can you make?
